Contact is initiated via the internet (social media channels) or mobile messaging applications.

The offender may impersonate another child, young adult, or a person in a position of trust in order to gain your confidence.

Hi, I'm Mark and I'm 15. Nice to meet you!

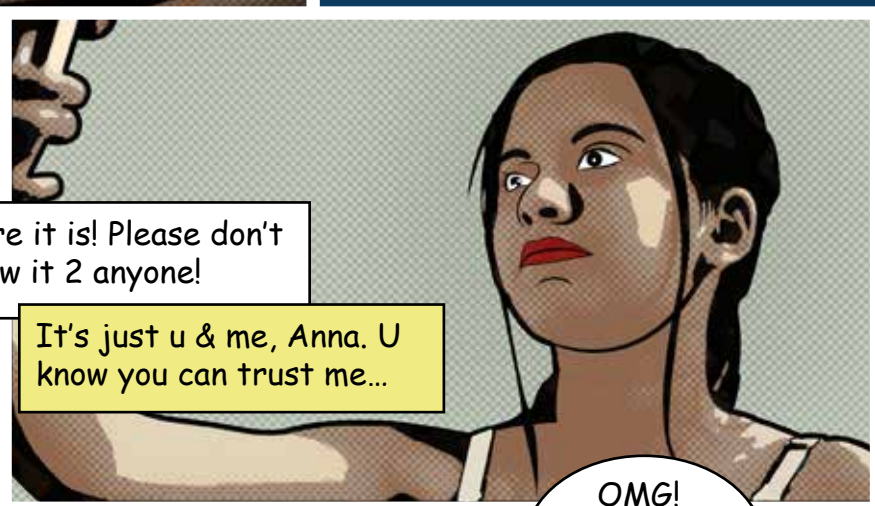

U r so cute! :)
I am so happy I found u Anna...
would you send me a sexy pic?

Once the trust is established, the offender will encourage you to create and share sexual photos or videos, or to engage in sexual activity online, which may be secretly recorded. Sexual photos or videos can also be acquired by a perpetrator in other ways, through the use of malware, hacking or accidental sharing by a minor.

The offender will threaten you with posting your images/videos on the internet or sharing them with your friends or family unless you create more material, and/or agree to see them in person, or to do something else for them.

Now send me one without the bra or I will share this one with your entire school...

Here it is! Please don't show it 2 anyone!

It's just u & me, Anna. U know you can trust me...
