## 7. Project description

The committee have been gathering since march 2021.

It works on two main priorities:

- One is to create a tool for parents and teenagers to determine whether the teenager is a victim of bullying. The tool takes the form of an evaluation grid that will be provided to French educational establishments. At the bottom of the grid, one may find series of advice and contacts to reach in case of need.
- Others issues are discussed in order to come out with solutions: How to raise awareness on the matter? How to better train people to detect the bullying? How to better coordinate public actors on the subject?

## 8. Project objectives

The main objective is to come out with concrete and efficient propositions to win the fight against bullying. To provide parents and children with appropriate answers to their distraught situation.
