CRIME PREVENTION AND COMMUNITY POLICING

The National Republican Guard continue to prioritize special programmes and community policing, implementing initiatives aimed at deepening close, trust-based relationships.

It consists in:

- ✓ Reinforcing preventive policing characterized by high visibility and close community engagement
- ✓ Increasing foot patrols, particularly among vulnerable groups such as children, young people, and the elderly (who are often alone and isolated).

AGENDA

- CRIME PREVENTION AND COMMUNITY POLICING
- SPECIAL COMMUNITY POLICING PROGRAMMES
- SAFE SCHOOL PROGRAMME

SPECIAL COMMUNITY POLICING PROGRAMMES

- ✓ Police intervention strategies developed to resolve specific security issues at the local or national level.
- ✓ Aim to foster **closer ties between the police and the citizen**, improve their relationship, and orient police action toward resolving community issues.

The military police officer as a part of the community, while turning citizens themselves into active participants in crime prevention and community safety.

- SAFE SCHOOL PROGRAMME

SAFE SCHOOL PROGRAMME

Aims to ensure safety within the school environment and the surrounding area by preventing risky behaviors and reducing acts that compromise safety in the school.

SAFE SCHOOL PROGRAMME

Safe School Programme

- ✓ Ensure safety conditions for the school community;
- ✓ Promote safety-conscious behaviors among the school community.

Through:

- ✓ Surveillance of schools and surrounding areas;
- ✓ Policing of regular routes used to access the schools;
- ✓ Awareness-raising activities regarding safety issues.

SAFE SCHOOL PROGRAMME

SAFE SCHOOL CAMPAIGN

Between June 15, 2026, and July 31, 2027, the GNR conduct thematic initiatives with the school community across the country, aiming to raise awareness regarding:

- the need to adopt self-protection behaviors concerning general safety;

- inclusive behaviors within the community;

- the prevention of crime and prevention of incorrect behaviors from social norms.
