EUROPEAN CRIME PREVENTION AWARD

#ECPA2020 FINAL CALL

The European Crime Prevention Award (ECPA) and Best Practice Conference (BPC) will take place on 2 - 4 December 2020 in Berlin, Germany. This year's topic is [family-based organised crime](#).

The ECPA focuses on groups whose members are related by family or family-like relations (such as clans). Younger family members are socialised in a criminal, often violent environment. It is very difficult for law enforcement but also for prevention initiatives to penetrate these groups. The German ECPA topic is about reaching out to such groups in order to break this cycle. Possible entries are measures starting at an earlier point in a person's biography to interrupt the criminal pathways of young people. This may include sports and cultural activities or improving the perception of alternative ways of life (e.g. mandatory participation in preschool, assistance in school, vocational training and higher education) among affected groups.

Entries for the ECPA should be submitted through the [National Representative](#) of each Member State to the EUCPN Secretariat, the deadline is 25 September 2020.
