

Project title: **“skills for adolescences”, a preventive program for Parents**

Main theme: Fight against Drugs Trafficking - Drug awareness

Project proposer: Drug Law Enforcement Unit

Project leader(s): Sergeant 1212, G. Kokkinos, Cyprus

Project supporter(s): Prevention office - D.L.E.U./ Lion Quest – Cyprus (NGO)

Project description (max. 150 words):

The participants will have the chance to share ideas and experiences on the role of the parent and adolescence and to practice important skills like conflict handling, the agreement limits and enhance children's self-confidence. Simultaneously, they will be informed of psychoactive substances.

Project outcomes:

Participants will improve their ability to set clear boundaries for their children, to help their children to build their self-esteem and confidence, to resolve family conflicts with love and to recognize and apply appropriate preventive measures against drugs.

Timescales and key milestone dates:

The implementation program consists:

1. Needs assessment - Contact with the NGO “Lion Quest” - January 2017
2. Program costing – January 2017
3. Contacts needed (parents, school)
4. Implementation of the Action – May 2017

Funding issues:

The action is co-founded by the European Union and the Cyprus Republic.
