Template for front page

Country of origin:	Slovakia
Project title:	Zodpovedne.sk – Prevention of Child Victimization in Cyberspace through Awareness Raising in Families, Schools and Media
Project description: (no more than 150 words)	The scope of the project is to raise awareness of the public about potential risks of internet and mobile use and to teach children use the new technologies safely. Children were addressed via prevention texts printed in schoolbooks on different topics (e.g. cyberbullying, protection of personal data...), for teenagers we developed TV show Cookie.sk which was accompanied by a nationwide competition. The most successful outcome of the project have been animated stories OVCE.sk with sheep imitating bad habits of the youths online (www.ovce.sk) in different languages Hungarian, German, English ,Roma
