Template for front page

Country of origin:	Greece
Project title:	Inspiring CItizeNS Participation for Enhanced Community PoliCing AcTions – INSPEC ² T
Project description: (no more than 150 words)	INSPEC ² T projects' scope is to develop a sustainable framework for Community Policing (CP) that effectively addresses and promotes seamless collaboration between the police and the community. INSPEC ² T approach bases its conceptual foundations on EU crime prevention and Member States specific Internal Security Policies, validated research results and best practices from cooperation between police and local, regional and national communities. INSPEC ² T is focusing on a user-centric design and development approach, and has already mobilized and engaged a critical user group mass, in EU and abroad. With special emphasis on social media and mobile apps, it consolidates and modernizes bidirectional communication of stakeholders, using multi-level anonymity flags and having a clear understanding of acceptability issues. INSPEC ² T will be demonstrated and validated in 5 EU cities by a wide range of relevant stakeholders. INSPEC ² T engagement and active participation is stimulated through fully interactive training Serious Game applications empowering players to familiarize themselves with the system.
Project start date:	01-05-2015
