6. Short summary of the project (**max. 50 words**)

It is a national preventive program endorsed by the Croatian Ministry of the Interior. It' goal is to sensitize the public to the problems of domestic abuse and especially abuse against women and children and to provide support and protection to potential and existing victims of such crimes in order to prevent or stop them from occurring

7. Project description

This is a multi-part project consisting of educational and interactive workshops, self-defence classes for women, scientific research on the subject, educational theatre plays, cooperation between various government and non-government organizations at the local and national levels and with the support of public figures like the popular rapper Marin Ivanović Stoka. This project is aimed not only at the vulnerable groups but also to the entire general public in order to promote better gender equality and promote a society with a zero tolerance to violence.
