

<b>Country of Origin:</b>	<b>ROMANIA</b>
<b>Project title:</b>	<i>Prevention and investigation of child pornography cases on the Internet</i> – a partnership of the Romanian Police with the General Police Directorate in Norway
<b>Project Description:</b>	<p>The aim of the project is to increase the awareness level of minors aged 11-15 regarding safety measures on the Internet for the prevention of abuse. It focuses on 2 major guide lines:</p> <ol style="list-style-type: none"> <li>1. enabling children to recognize abusive behaviour online and to report it;</li> <li>2. enabling children to become aware of the fact that images displayed online are permanent and can produce harm. (especially if they contain abusive or embarrassing elements)</li> </ol> <p>The project includes a prevention campaign developed as:</p> <ol style="list-style-type: none"> <li>1. an information endeavour through the media by the broadcasting of 1 video and 1 audio spots on national TV and radio as well as promotional materials (posters, leaflets)</li> <li>2. preventive activities in schools – 1 school/county=41 schools + 1 school in every district in Bucharest = 47 schools in total.</li> </ol> <p>The activities will be conducted as meetings with the youngsters and their teachers to debate on the dangers of surfing the net and the protection measures they can take to prevent their own victimization by sexual offenders online. The follow up of these meetings will be insured by contests for the children regarding safety online to be rewarded with winner prizes.</p>
