6. Short summary of the project (**max. 100 words**)

The national Action Plan against forced labour relations and other forced human activities is aimed at sustained and effectively combating labour exploitation in all its forms and manifestations.

7. Project description

In short, the Action Plan constitutes an instrument to unite the efforts of those involved in the fight against forced labour in Spain; it proposes the establishment of new methods and channels of action, making special reference to the need to strengthen collaboration and coordination between Public Administrations, Institutions and Civil Society.

For the elaboration of this Plan of Action, the then Ministry of Labor, Migrations and Social Security, created a working group with representatives of the Ministries of the Interior, Justice, the Presidency, Relations with the Courts and Equality, Foreign Affairs, European Union and Cooperation, Education and Vocational Training and Health, Consumption and Social Welfare, as well as with representatives of the Prosecutor's Office General of the State and of the General Council of the Judiciary.

Finally, The Action Plan contains forty-one actions, structured into thirteen objectives grouped into five areas of action, following the scheme provided for in the Protocol and the ILO Recommendation

8. Project objectives

Protection of the Victims of this type of crime, significantly reducing labour exploitation, new methods and channels of actions through which strengthen collaboration and coordination among institutions at the any level; it envisages the strengthening of cooperation at the international level in order to improve the detection of cases of exploitation, to narrow down and better understand the problem and to move forward to make decisive progress in its prevention; and it stresses, it stresses the important role to be played by trade unions, business associations and non-governmental organizations, especially those working with immigrants,
