6. Short summary of the project (**max. 100 words**)

The project is addressed to pupils from 50 schools in Bihor County, aged 12-14. Over 4000 students, 160 classes, teachers and parents involving are involved. Students, teachers, and parents discussed during interactive meetings the types of physical, verbal, psychological violence in relation to the three types of behavior,

especially the assertive, and the role of communication in solving conflicts and interpersonal relationships. At the same time, issues related to the difference between bullying and cyberbullying were debated and the negative consequences of the two phenomena.

Workshops and role-plays have been carried out, discussing aspects of the three situations encountered in practice, participants in the case of bullying behavior: aggressor, victim and spectator, educational films were watched and discussions took place based on case studies presented.

Within the preventive activities, CSM basketball team Oradea and two famous magicians "Eduard and BIANCA" spoke to children about respect, friendship, fair play, sports against violence and the impact of sport to the behavioral and physical development of children.

Magicians have discussed with students about life, responsibility, entourage, and idols.

At the same time, students and teachers have been involved in a preventive contest on three sections: drawing, essay, scenes.

## 7. Project description

At the beginning of the project, 1100 questionnaires were applied to students in the 50 school units to identify the forms of bullying, the size of the phenomenon, and the mechanism to approach this phenomenon.

During the project there were organized interactive meetings with students, parents, teachers, focus group discussions to discuss specific topics (bullying myths, bullying, how bullying can be prevented, what the victim can do, criminal liability, entourage and group of friends). The discussions were facilitated by preventive educational films, role plays, case studies.

During the organized meetings, the CSM ORADEA basketball players discussed with the students about the importance of sport and fair play in everyday life.

Also, pupils, basketball players from CSM Oradea, magicians Eduard and Bianca, a psychologist and a police policeman sent messages through an educative-preventive film -initiated by the police officers, which is presented at meetings organized within schools and not only.

Preventive messages will also be transmitted in video spots posted on social media.

Also during June, a preventive contest will be held for students from the 50 schools involved, a contest that has three sections: drawing, play and essay, on antibullying. The best works from each section will receive prizes on behalf of Bihor County police workers and campaign partners.

At the end of the project, questionnaires will be applied to assess the knowledge gained during the sessions and debates with the target group and also to
